Remember Your Past. Fund the Future.

We invite you to be part of an exciting new era for NYCC. You can help us advance the science of wellness through your generous gifts to the NYCC Annual Giving Campaign.

Our Annual Giving Campaign provides you the opportunity to help keep us moving forward. Your support enables us to provide our students with the training and skills that will help alleviate pain, maintain wellness, and establish successful and fulfilling careers in chiropractic, acupuncture and related health fields.

The NYCC Annual Giving Campaign allows you to give back to the future of NYCC – in honor of the education and professional achievements that NYCC made possible for you – and make a difference for the students of today and tomorrow.
Every Dollar Makes a Difference.

In order to help our students afford the highest level of academic excellence, your private gift dollars are imperative.

Your contributions to the NYCC Annual Giving Campaign are critical in enabling us to:

- Underwrite more scholarships
- Fund additional internships
- Support student activities
- Keep diagnosis and technique libraries current
- Update clinical, x-ray, and records facilities
- Offset ever-increasing costs of delivering quality educational programs

and so much more!

Your Gift Is an Investment.

In a very real sense, your contribution is an investment—an investment in academic excellence; in learning technology; and in motivated students that will help ensure successful futures for the chiropractic and oriental medicine professions.

Give Back to the Future Today!

Your NYCC Annual Giving Campaign contribution is greatly valued by the College. The generous gifts of our alumni and friends will help to build a fund that will finance bold, new, academic and research initiatives. Please, give back to the future of NYCC today.
