

Karen M. Gana, Ph.D.

EDUCATION

2000-2001	AAS Mortuary Science, MidAmerica College of Funeral Service, IN
1977-1981	Ph.D. Anatomical Sciences, University of Louisville, KY
1973-1977	B.S.cum laude Biology, Villanova University, PA

PROFESSIONAL EXPERIENCE

Jan 2009--present	Assistant Professor of Anatomy, Division of Basic Sciences, New York Chiropractic College, NY Director, Master of Science in Clinical Anatomy Program
Mar 2008-present	Visiting Professor, Online, DeVry University
1/2005- 12/2008	Instructor, Chair of Division of Science and Math, Martin University, Indianapolis, IN (Biology for majors, Biology for non-majors, Human Anatomy and Physiology, Medical Terminology, Bioethics, Ecology, Genetics)
10/2001- 12/2004	Instructor, MidAmerica College of Funeral Service, Jeffersonville, IN (Anatomy, Pathology, Funeral Service History, Funeral Service Sociology, Science Survey)
1996-2000	Instructor, Elizabethtown Community College, Elizabethtown, KY (Human Anatomy and Physiology) Instructor, Jefferson Community College, Louisville, KY (Human Anatomy and Physiology)
1988-1996	Instructor, University of Louisville School of Allied Health, Louisville, KY (Human Anatomy and Physiology) Instructor and Admissions Committee member, University of Louisville School of Dentistry, Louisville, KY (Histology, Oral Histology) Instructor, University of Louisville School of Medicine, Louisville, KY (Gross Anatomy, Histology, Neuroanatomy, Embryology)
1986-1988	Instructor, St.Catharine College, St.Catharine, KY (Human Anatomy and Physiology)

1982-1985 Instructor, Pennsylvania State University, Abington,
 PA (Human Anatomy and Physiology)
Instructor, Roxboro School of Nursing, Phila., PA
 (Human Anatomy and Physiology)
Instructor, Frankford School of Nursing, Phila., PA
 (Human Anatomy and Physiology)
Laboratory Instructor, Temple University School of
 Allied Health, Philadelphia, PA (Gross Anatomy)
Laboratory Instructor, Pennsylvania College of
 Podiatric Medicine, Philadelphia, PA (Gross
 Anatomy, Gross Anatomy of the Lower Limb,
 Histology)

PUBLICATIONS

1981 Abstract: Concordance of Plasma Glucose with Islet
 Cell Polyploidization, Anatomical Record (AAA)
2010 Abstract: Anomalous muscle found between splenius
 and suboccipital group of posterior cervical
 muscles, Poster presented at American
 Association of Anatomists annual meeting, April,
 2010.
2010 Book Review: Medical Imaging of Normal and
 Pathologic Anatomy, Vilsensky et al,
 SaundersElsevier 2010; for American Association
 of Anatomists newsletter, Vol19
