

STATE BOARDS' ACCEPTANCE OF CONTINUING EDUCATION FORMATS
AS OF February 2010

New York Chiropractic College's offerings (classroom, online, home study, teleseminar, Clinical Coaching Tele-Conference Workshops) all are applicable for New York State license renewal credit, as well as selected states. Check with your individual state, or the Postgraduate Dept to see whether or not application was filed for a particular seminar. For sponsored or co-sponsored programs in distance learning formats, please check with your state board to verify individual state's acceptance of the learning format and to check approval of course content.
